***Allowable Subject Matter***

1. Claims 1-5, 7-9, 11, 12, 14-16, 22 and 23 are allowed.
2. The following is an examiner's statement of reasons for allowance: a screwdriver with the limitations as recited in the independent claims, e.g., readily removable holder; opening to the side of the axis with the holder removable from the opening (claims 1, 22 and 23); sleeve of the end cap abutting the shoulder (27) defined by the housing (claim 11); holder including the magnet (63), claim 14, even though using magnets to hold parts are considered obvious modification, modifying prior art, e.g., Shiao, would destroy its arrangement (42) and Pao-His does not disclose a removable holder, and modifying the prior art to meet all the limitations of the claim, appears hindsight; projection (61) and recesses for the indexing arrangement (claim 16); place the application in condition for allowance over prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
